

Hyun Ha Jo

EXPERIENCE

Functional Electrical Engineer | SMS Group, Siegen

07.2024 – Present

Brought in to support the engineering team in managing electrical documentation, analyzing system workflows, and implementing technical improvements for heavy industrial machinery.

- Developed and modified hydraulic schemas using EPLAN.
- Managed engineering data and technical documentation
- Conducted system analysis and data evaluation using Excel.
- Collaborated with cross-functional teams on hardware and software upgrades.

EDUCATION

Sangji University, South Korea (Note : 2.3)

B.Sc. in applied physics and Electronics

03.2018 – 02.2020

Core Courses: Electronics & Lab, Programming

Bachelor Thesis: Designing a custom PCB with a high-frequency switching inverter, resonant tank circuits, and a receiver rectifier circuit to charge a battery wirelessly

Fachhochschule Aachen, Germany

Exchange program Electrical Engineering and Informatics

03.2021 – 09.2021

Core Courses: Linux system, Artificial Intelligence

Anyang University, South Korea (Note : 2.0)

B.Sc. in informatics and electrical engineering

03.2020 – 08.2022

Core Courses: Control Systems, Power System & Machinery, Circuit Analysis, Programming

Bachelor Thesis: Development of an Offline, TinyML-Based Voice Command Hardware Module for Smart Home Appliances

Universität Siegen, Germany (Note : 2.5)

M.Sc. in electrical engineering

10.2023 – 08.2026

Core Courses: Analog Circuit Design, Embedded Systems, Semiconductor Electronics Design, Machine Learning

Master Thesis: Design & implementation of a memristive passive quenching circuit for Single-Photon Avalanche Diodes (SPADs)

PERSONAL DATA

Date of birth

25.07.1999

Address

Wiesenstraße 83,
57072 Siegen

Contact

☎ 015128703696

TOOL

Hardware and EDA-Tools

Cadence, KiCad, LTspice

Embedded Systems

ESP32, Arduino, Linux

CAD Programs

Autodesk Inventor, Fusion360

Measurement & Testing

PicoScope, Oscilloscopes

Programming Language

C/C++, Python, MATLAB,
Verilog-A

Microsoft Office

Excel, Word, Powerpoint

LANGUAGE

German Fluent (B2)

Korean Native Language

English Business Fluent (C1)

Japanese Advanced (B1)
